Dear Harold,

Thankyou for your book.I was about to order it from you,when it arrived.

I still have my weekly radio show "Dialogue Conspiracy",which has been going 3½ years.The format is to take the news of the week and tell how it is affected by the political assassinations.This week I will speak of your book.Hopefully,you will get orders on it.

Enclosed is a bibliography I mail to readers and listeners..all over the country.Your books are on the list.I wonder how many people have ordered from this list?

Are you going to a conference in Boston,Jan 31,on political assassinations? Penn Jones did not know the group and was suspicious of their purposes.I wondered if you had time for these things now.

Keep up the good work.I shall plug your book as much as I can.My radio program goes to other stations,Boston,Ohio,Sacramento,Oregon..etc. so here is hoping it helps your efforts.

Keep up the good work,

Mae
